The statutory authority for this rule includes but is not limited to sections 44-10-102(3), 44-10-202(1)(c), and 44-10-701(2)(a), C.R.S. Unless such activity is authorized by the Colorado Constitution, article XVIII, Section 14 or Section 16, the Colorado Marijuana Code, section 25-1.5-106.5, C.R.S., or these rules, any Person who buys, Transfers, or acquires Regulated Marijuana outside the requirements of the Colorado Marijuana Code is engaging in illegal activity pursuant to Colorado law. This rule clarifies that those engaged in the business of possessing, cultivating, dispensing, Transferring, transporting, or testing Medical Marijuana or Retail Marijuana must be properly licensed to be in compliance with Colorado law. [This rule also clarifies requirements for licensees to comply with public health and executive orders.](#) This Rule 1-105 was previously Rules M and R 101, 1 CCR 212-1 and 1 CCR 212-2.

1-105 – Engaging in Business

A. License Required to Engage in Business. Except as authorized by the Colorado Constitution, article XVIII, sections 14 or 16, the Colorado Marijuana Code, or section 25-1.5-106.5, C.R.S., no person shall possess, cultivate, dispense, Transfer, transport, offer to sell, manufacture, or test Regulated Marijuana unless said person is duly licensed by the State Licensing Authority and approved by the relevant Local Jurisdiction(s) and/or licensed by the relevant Local Licensing Authority(-ies).

B. Public Health Orders and Executive Orders.

1. All Licensees, their agents, and their employees shall comply with any applicable public health orders issued by any agency of the State of Colorado including, but not limited to the Colorado Department of Public Health and Environment related to businesses that cultivate, manufacture, distribute, sell, or test Regulated Marijuana and Regulated Marijuana Products.
2. All Licensees, their agents, and their employees, shall comply with any and all executive orders issued by the Governor pursuant to the Governor's disaster emergency powers under section 24-33.5-704, C.R.S., relating to businesses that cultivate, manufacture, distribute, sell, or test Regulated Marijuana and Regulated Marijuana Products.
3. A violation of this Rule by a Licensee, or by any of the agents or employees of a Licensee, is a license violation affecting public safety, which may result in disciplinary action, up to and including license revocation, pursuant to section 44-10-901(1), C.R.S., and these Rules may also result in a summary suspension of a license pursuant to section 44-10-901(2), C.R.S., and these Rules.

Basis and Purpose – 1-115

The statutory authority for this rule includes but is not limited to sections 44-10-202(1)(c), 44-10-202(1)(j), and 44-10-103, C.R.S., and all of the Marijuana Code. The purpose of this rule is to provide necessary

definitions of terms used throughout the rules. Defined terms are capitalized where they appear in the rules, to let the reader know to refer back to these definitions. When a term is used in a conventional sense, and is not intended to be a defined term, it is not capitalized. This Rule 1-115 was previously Rules M and R 103, 1 CCR 212-1 and 1 CCR 212-2.

1-115 – Definitions

Definitions. The following definitions of terms, in addition to those set forth in section 44-10-103, C.R.S., apply to all rules promulgated pursuant to the Marijuana Code, unless the context requires otherwise:

“Employee License” means a license granted by the State Licensing Authority pursuant to section 44-10-401, C.R.S., to a natural person who is not a Controlling Beneficial Owner. Any person who possesses, cultivates, manufactures, tests, dispenses, sells, serves, transports, or delivers Regulated Marijuana, who is authorized to input data into a Regulated Marijuana Business’s Inventory Tracking System or point-of-sale system, or who has unescorted access in the Restricted Access Area or Limited Access Area must hold an Employee License. Employee License includes both Key Licenses and Support Licenses [as well as a Limited Gaming support or key licensee, licensed by the Colorado Limited Gaming Commission that is in compliance with the requirements of Rule 2-265\(E.5\).](#)

“Identification Badge” means a physical badge issued to any natural person possessing an Owner License or Employee License, used to verify the identity of the natural persons on the Licensed Premises of a Regulated Marijuana Business. [Identification Badge also includes the identification issued to a Limited Gaming support or key licensee that has complied with the requirement in Rule 2-265\(E.5\).](#)

Part 2 – Applications and Licenses

2-200 Series – Applications and Licenses Rules

Basis and Purpose – 2-225

The statutory basis for this rule includes but is not limited to sections 44-10-202(1)(c), 44-10-202(1)(e), 44-10-203(1)(c), 44-10-203(2)(a), 44-10-203(2)(c), 44-10-203(2)(w), 44-10-203(2)(ee), 44-10-203(7), 44-10-307, 44-10-308, 44-10-309, 44-10-313, 44-10-314, and 44-10-316 C.R.S. The purpose of this rule is to establish the requirements and procedures for the license renewal process, including the circumstances under which an expired license may be reinstated.

2-225 – Renewal Application Requirements for All Licensees

A. License Periods.

1. Regulated Marijuana Business and Owner Licenses are valid for one year from the date of issuance.
2. Medical Marijuana Transporters, Retail Marijuana Transporters, and Employee Licenses are valid for two years from the date of issuance.

B. Division Notification Prior to Expiration.

1. The Division will send a notice of license renewal 90 days prior to the expiration of an existing license by first class mail to the Licensee’s physical address of record.
2. Failure to receive the Division notification does not relieve the Licensee of the obligation to timely renew the license.

C. Renewal Deadline.

1. A Licensee must apply for the renewal of an existing license prior to the Licensee's expiration date.
2. A renewal application submitted to the Division prior to the license's expiration date shall be deemed timely pursuant to subsection 24-4-104(7), C.R.S., and the Licensee may continue to operate until Final Agency Order on the renewal application.

3. Emergency Extension of Regulated Marijuana Business License and Owner License Renewal Deadline. Pursuant to Executive Order D 2020 015, "Authorizing the Executive Directors of Certain State Agencies to Promulgate and Issue Emergency Rules Extending the Expiration Date of Licenses and Other Documents Due to the Presence of COVID-19," and Executive Order D 2020 042, which extends Executive Order D 2020 015, the expiration date of any Regulated Marijuana Business and Owner License that would expire between March 25, 2020 and May 23, 2020 is extended for 30 days.

- a. For example, an Owner License that would expire on May 1, 2020 will not expire until June 1, 2020.
- b. If a Regulated Marijuana Business License or an Owner License was extended under Executive Order D 2020 015, and the extended expiration date falls prior to May 23, 2020, that license's expiration date will be extended an additional thirty days. For example, a Regulated Marijuana Business License that would have expired on April 1, 2020 was extended to May 1, 2020, and will be extended again to June 1, 2020 pursuant to Executive Order D 2020 042.
- c. Subsequent Renewals. If a Regulated Marijuana Business License or Owner License was extended pursuant to this Rule 2-225(C)(3), all subsequent renewals will be based on the Licensee's original expiration date.
- d. Employee Licenses Not Included. This emergency exemption does not apply to Employee Licensees, who must renew on or before the expiration date of the license.
- e. Regulated Marijuana Business and Owner Licensees subject to the emergency extension provided under this Rule 2-225(C)(3) must apply for a renewal of such licenses prior to their extended expiration date. This extension does not prohibit a Regulated Marijuana Business or Owner Licensee from submitting their application for renewal prior to their original expiration date.

D. If License Not Renewed Before Expiration. A license is immediately invalid upon expiration if the Licensee has not filed a renewal application and remitted all of the required application and license fees prior to the license expiration date. A Regulated Marijuana Business that fails to file a renewal application and remit all required application and license fees prior to the license expiration date must not operate unless it first obtains a new state license and any required local license.

1. Reinstatement of Expired Regulated Marijuana Business License. A Regulated Marijuana Business that fails to file a renewal application and remit all required application and license fees prior to the license expiration date may request that the Division reinstate an expired license only in accordance to the following:
 - a. The Regulated Marijuana Business license expired within the previous 30 days;

- b. The Regulated Marijuana Business License has submitted an initial application pursuant to Rule 2-220. The initial application must be submitted prior to, or currently with, the request for reinstatement;
 - c. The Regulated Marijuana Business has paid the reinstatement fee in Rule 2-205; and
 - d. Any license or approval from the Local Licensing Authority or Local Jurisdiction is still valid or has been obtained.
 2. Reinstatement Not Available for Surrendered or Revoked Licenses. A request for reinstatement cannot be submitted and will not be approved for a Regulated Marijuana Business license that was surrendered or revoked.
 3. Reinstatement Not Available for Owner Licenses or Employee Licenses. A request for reinstatement cannot be submitted and will not be approved for expired, surrendered, or revoked Owner Licenses or Employee Licenses.
 4. Denial of Request for Reinstatement or Administrative Action. If the Licensee requesting reinstatement of a Regulated Marijuana Business license operated during a period that the license was expired, the request may be subject to denial or subject to any administrative action authorized by the Marijuana Code or these Rules.
 5. Approval of Request for Reinstatement. Upon approval of any request for reinstatement of an expired Regulated Marijuana Business License, the Licensee may resume operations until the final agency action on the Licensee's initial application for a Regulated Marijuana Business license.
 - a. Approval of a request for reinstatement of an expired Regulated Marijuana Business license does not guarantee approval of the Regulated Marijuana Business license initial application;
 - b. Approval of a request for reinstatement of an expired license does not waive the State Licensing Authority's authority to pursue administrative action on the expired license or initial application for Regulated Marijuana Business license.
 6. Final Agency Order on Initial Application for Regulated Marijuana Business.
 - a. If the initial application for a Regulated Marijuana Business license submitted pursuant to this Rule is approved, the Regulated Marijuana Business license will replace the reinstated license.
 - b. If the initial application for a Regulated Marijuana Business license submitted pursuant to this Rule is denied, the Licensee must immediately cease all operations including but not limited to, Transfer of Regulated Marijuana. See Rule 2-270 – Application Denial and Voluntary Withdrawal; 8-115 – Disposition of Unauthorized Regulated Marijuana; 8-130 – Administrative Warrants.
- E. Voluntarily Surrendered or Revoked Licenses Not Eligible for Renewal. Any license that was voluntarily surrendered or that was revoked by a Final Agency Order is not eligible for renewal. Any Licensee who voluntarily surrendered its license or has had its license revoked by a Final Agency Order may only submit an initial application. The State Licensing Authority will consider the voluntary surrender or the Final Agency Order and all related facts and circumstances in determining approval of any subsequent initial application.

- F. Licenses Subject to Ongoing Administrative Action. Licenses subject to an administrative action are subject to the requirements of this Rule. Licenses that are not timely renewed expire and cannot be renewed.
- G. Documents Required at Renewal. A Regulated Marijuana Business must provide the following documents with every renewal application:
1. Any document required by Rule 2-220(A)(1) through (10) that has changed since the document was last submitted to the Division. It is a license violation affecting public safety to fail to submit any document that changed since the last submission for the purpose of circumventing the requirements of the Marijuana Code, or these Rules;
 2. A copy of the Local Licensing Authority or Local Jurisdiction approval, licensure, and/or documentation demonstrating timely submission of pending local license renewal application;
 3. A list of any sanctions, penalties, assessments, or cease and desist orders imposed by any securities regulatory agency, including but not limited to the United States Securities and Exchange Commission or the Canadian Securities Administrators;
 4. A Regulated Marijuana Business operating under a single Entity name with more than one license may submit the following documents only once each calendar year on the first license renewal in lieu of submission with every license renewal in the same calendar year:
 - a. Tax documents and financial statements required by Rule 2-220(A)(11) and (12);
 - b. If the Regulated Marijuana Business is a Publicly Traded Corporation, the most recent list of Non-Objecting Beneficial Owners possessed by the Regulated Marijuana Business;

The purpose of this rule is to establish guidelines for changing, altering, modifying, or transitioning the Licensed Premises. This Rule 2-260 was previously Rules M and R 303, 1 CCR 212-1 and 1 CCR 212-2.

2-260 – Changing, Altering, or Modifying Licensed Premises

- A. Application Required to Change, Alter, or Modify Licensed Premises. After obtaining a license, the Licensee shall make no physical change, alteration, or modification of the Licensed Premises that materially or substantially alters the Licensed Premises or the usage of the Licensed

Premises from the plans originally approved, without the Division's prior written approval and, written approval or written acknowledgement from the relevant Local Licensing Authority or Local Jurisdiction. The Licensee whose Licensed Premises are to be materially or substantially changed is responsible for filing an application for approval on current forms provided by the Division. Changes to the Licensed Premises which do not require an application must be disclosed on a floorplan submitted with the Licensee's renewal application.

1. Emergency Exemption. A Regulated Marijuana Business making temporary modifications to its Licensed Premises to effectuate social distancing measures in response to COVID-19 and applicable executive orders and public health orders in effect at the time of the temporary modifications, is exempt from State Licensing Authority application and prior-approval requirements in this Rule. The exemption provided under this subparagraph (A)(1) shall remain effective pursuant to section 24-4-103(6), C.R.S., or until repealed by the State Licensing Authority upon notice to the Secretary of State.

B. What Constitutes a Material Change. This Rule does not exempt Licensees from complying with any Local Licensing Authority or Local Jurisdiction requirements regarding changes, alterations, or modifications to the Licensed Premises. Material or substantial changes, alterations, or modifications requiring Division approval include, but are not limited to, the following:

1. Any increase or decrease in the total physical size or capacity of the Licensed Premises;
2. The sealing off, creation of or relocation of a common entryway, doorway, passage or other such means of public ingress and/or egress, when such common entryway, doorway or passage alters or changes Limited Access Areas, such as the cultivation, harvesting, manufacturing, testing, or sale of Regulated Marijuana within the Licensed Premises; or
3. Any physical modification of the Licensed Premises which would require the installation of additional video surveillance cameras. See Rule 3-225 – Video Surveillance.

C. Attachments to Application. The Division and relevant Local Licensing Authority or Local Jurisdiction may grant approval for the types of changes, alterations, or modifications described herein upon the filing of an application by the Licensee and payment of any applicable fee. The Licensee must submit all information requested by the Division, including but not limited to, documents that verify the following:

1. The Licensee will continue to have possession of the Licensed Premises, as changed, by ownership, lease, or rental agreement; and
2. The proposed change conforms to any local restrictions related to the time, manner, and place of Regulated Marijuana Business regulation.

Basis and Purpose – 2-265

The statutory basis for this rule includes but is not limited to sections 44-10-202(1)(c), 44-10-202(1)(e), 44-10-203(2)(b)-(c), 44-10-203(2)(e), 44-10-203(2)(t)-(u), 44-10-203(2)(w), 44-10-307, 44-10-308(2), 44-10-313(6), 44-10-401(2)(c), 44-10-901(1), and 24-76.5-101 et seq., C.R.S. Historically, natural persons who held an Owner's Interest in a Regulated Marijuana Business were required to hold an Associated Key License. This Rule transitions the Associated Key designation to an Owner License designation after August 1, 2019. The purpose of this rule is to clarify the requirements and procedures a Person must follow when applying for or possessing either an Owner License or an Employee License. This rule also identifies factors the State Licensing Authority will consider in determining whether a natural person is a resident and whether such person possess good moral character.

Failure by a Regulated Marijuana Business to continuously escort an individual who does not have a valid Owner License and Identification Badge or an Employee License and Identification Badge in the Limited Access Area is a license violation affecting public safety.
 2. Patients and consumers in a Restricted Access Area and third-party vendors in a Limited Access Area do not need to be escorted at all times, but must be reasonably monitored to ensure compliance with these rules.
- E. Employee License Required to Commence or Continue Employment. Any natural person required to obtain an Employee License by these rules must obtain such license before commencing activities permitted by his or her Employee License.

- K. Factors Considered when Determining Residency and Citizenship. This Rule applies to natural persons who are required to have and maintain Colorado residency. In determining whether a natural person is a Colorado resident, the State Licensing Authority will consider the following factors:
 1. Primary Home Defined. The location of an Applicant's principal or primary home or place of abode ("primary home") may establish Colorado residency. An Applicant's primary home is that home or place in which a person's habitation is fixed and to which the person, whenever absent, has the present intention of returning after a departure or

absence therefrom, regardless of the duration of such absence. A primary home is a permanent building or part of a building and may include, by way of example, a house, condominium, apartment, room in a house, or manufactured housing. No rental property, vacant lot, vacant house or cabin, or other premises used solely for business purposes will be considered a primary home.

2. Reliable Indicators That an Applicant's Primary Home is in Colorado. The State Licensing Authority considers the following types of evidence to be generally reliable indicators that a person's primary home is in Colorado.
 - a. Evidence of business pursuits, place of employment, income sources, residence for income or other tax purposes, residence of spouse and any minor children, leaseholds, situs of personal and real property, existence of any other residences outside Colorado and the amount of time spent at each such residence, and any motor vehicle or vessel registration;
 - b. Duly authenticated copies of the following documents may be taken into account: A current driver's license with address, recent property tax receipts, copies of recent income tax returns where a Colorado mailing address is listed as the primary address, current voter registration cards, current motor vehicle or vessel registrations, and other public records evidencing place of abode or employment; and
 - c. Other types of reliable evidence.
 3. Totality of Evidence. The State Licensing Authority will review the totality of the evidence, and any single evidence regarding the location of a person's primary home is not necessarily determinative.
 4. Other Considerations for Residency. The State Licensing Authority may consider the following circumstances:
 - a. Members of the armed services of the United States or any nation allied with the United States who are on active duty in this state under permanent orders and their spouses;
 - b. Personnel in the diplomatic service of any nation recognized by the United States who are assigned to duty in Colorado and their spouses; and
 - c. Full-time students who are enrolled in any accredited trade school, college, or university in Colorado. The temporary absence of such student from Colorado, while the student is still enrolled at any such trade school, college, or university, will not be deemed to terminate their Colorado residency. A student will be deemed "full-time" if considered full-time pursuant to the rules or policy of the educational institution he or she is attending.
- L. Evaluating a Natural Person's Good Moral Character Based on Criminal History.
1. In evaluating whether a Person is prohibited from holding a license pursuant to sections subsections 44-10-307(1)(b) or (c), C.R.S., based on a determination that the person's criminal history indicates she or he is not of Good Moral Character, the Division will not consider the following:
 - a. The mere fact a person's criminal history contains an arrest(s) or charge(s) of a criminal offense that is not actively pending;

- b. A conviction of a criminal offense in which the Applicant/Licensee received a pardon;
 - c. A conviction of a criminal offense which resulted in the sealing or expungement of the record; or
 - d. A conviction of a criminal offense in which a court issued an order of collateral relief specific to the application for state licensure.
