ED 23-09-16-A, Revision to the Executive Director of the Department of Health Care Policy and Financing Rule Concerning All-Payers Claims Database, Section 1.200

Executive Director. As the Colorado All Payer Claims Database (CO APCD) administrator, the Center for Improving Value in Health Care (CIVHC) began conversations with the submitters regarding the rule change in Spring 2023. The goals of the proposed updates to the Data Submissions Guide (DSG) are to:

- Improve the quality and completeness of submitted data to effectively affirm the integrity and credibility of the Colorado All Payer Claim Database (CO APCD);
- Allow for the collection of the member eligibility, medical claims (including dental), pharmacy claims, and provider files to be collected through the submission portal feed; and
- Collect additional information to advance the Triple Aim of health care to lower costs, improve outcomes, and improve care across Colorado.

CIVHC sent the proposed Rule language and revised DSG to all data submitters on 7/13/2023. CIVHC hosted webinars on 06/21/2023, 08/16/2023, and 10/11/2023, presenting the proposed changes to DSG v15. More than forty representatives from over twenty data submitters attended the webinar and had an opportunity to ask questions and discuss the proposed changes with CIVHC. Submitters primarily raised questions and requested clarifications around the collection of denied claim, provider affiliation, and vision
