**Colorado Campaign Finance System**

December 8, 2008

The Office of the Secretary of State and Quest Information Systems are pleased to announce that they have successfully completed contract discussions and a contract has been executed, effective December 8, 2008. Work will begin immediately to customize Quest's FirstTuesday® Campaign Finance system to meet the State of Colorado's campaign finance requirements. Expectations are to implement the new system by the summer of 2009.
