

**STATE OF COLORADO
IN THE OFFICE OF THE SECRETARY OF STATE**

ELECTIONS DIVISION OF THE SECRETARY OF STATE,

Complainant,

vs.

GUNNISON COUNTRY FOLKS WITH COMMON SENSE

Respondent.

SETTLEMENT AGREEMENT

This Settlement Agreement is entered into between the Elections Division of the Colorado Secretary of State (“Division”) and Gunnison Country Folks with Common Sense (“Respondent” or the “Committee”).

Recitals

- A. Respondent is a small-scale issue committee registered with the Colorado Secretary of State’s Office.
- B. The Committee first registered a trade name with the Secretary of State’s office.
- C. After doing so, it distributed \$2,258.66 worth of banners and yard signs encouraging voters to oppose local ballot measure 5A.
- D. These communications included a disclaimer that they were “Paid for by Gunnison Country Folks with Common Sense,” but did not identify the Committee’s registered agent.
- E. The Committee did not register as a small-scale issue committee until October 21, 2022, the same day it was notified of the underlying campaign finance complaint in this case.
- F. On August 28, 2023, the Division filed a complaint with the Administrative Hearing Officer titled *Elections Division of the Secretary of State v. Gunnison Country Folks with Common Sense* (the “Administrative Proceedings”). The case number is 2023 AHO 0012.

Settlement Agreement
Elections Division v. Gunnison Country Folks with Common Sense

G. The Division and Respondent desire to resolve this matter without the expense of continued litigation. Therefore, in consideration of the mutual covenants contained in this Agreement, the parties agree and covenant as follows:

Agreement

Section 1. Deputy Secretary of State Approval

This Settlement Agreement and all promises contained within are contingent upon approval of the Deputy Secretary of State, which approval will be demonstrated by the Deputy Secretary's signature to this agreement. In the event the Deputy Secretary does not approve this Settlement Agreement, neither the Recitals above nor the promises below shall be binding upon, or enforceable against, either the Division or Respondent.

Section 2. Payment of Stipulated Penalty

Within 14 days of the Committee's receipt of an invoice from the Division, **the Committee shall pay \$196 to the Division.**

This penalty reflects Rule 23.3.3 of the Secretary's Rules on Campaign Finance. 8 CCR 1505-6. Specifically, Rule 23.3.3(a), and (d).

Under Rule 23.3.3(a), a committee that spends between \$1,001 and \$5,000 without registering is subject to a penalty of at least \$300. However, there are mitigating circumstances here. First, the Committee did register a trade name, so it was identifiable by a business search. As an example, the original complainant here was able to identify the Committee. Moreover, the Committee registered as soon as the issue was brought to its attention, did so before the election, and in total was only out of compliance for a couple of weeks. Thus, the Division reduces the applicable fine by 50% to \$150.

Rule 23.3.3(d) addresses disclaimer violations, and provides for a fine of 10% of the cost of the communication, including cost to distribute, if the violation is not mitigated prior to the election. However, the Division again finds mitigating circumstances. Most importantly, the Committee's communications did include a disclaimer statement, that statement only failed to identify the Committee's registered agent. As it has in other cases, the Division considers this to be a significant mitigating factor, and reduces the applicable fine to 3%, or \$46.

Together, this results in a fine of \$196.

Section 3. Compliance with Colorado Campaign Finance Law

Respondent agrees to comply with Colorado law relating to disclaimer statements, registration and reporting, and to otherwise comply with Colorado Campaign Finance Law, including Article XXVIII of the Colorado Constitution, the Fair Campaign Practices Act, §§ 1-45-101, *et seq.*, and the rules of the Secretary of State concerning campaign and political finance.

Section 4. Dismissal of Administrative Proceedings

The Division will move to dismiss the Administrative Proceedings with prejudice upon the Deputy Secretary's approval of this Agreement.

Section 5. Admissions

Respondent admits that it did not originally register as a small-scale issue committee in 2022 and did not include compliant disclaimer statements on its campaign communications.

Section 6. Release and Covenant Not to Sue

Respondent, for itself, its agents, assigns, representatives, attorneys, and subrogees, releases and forever discharges the Division, the Secretary of State, and the State of Colorado, and all of their former, current, and successor officers, employees, agents, and attorneys, from any and all claims, actions, causes of action, debts, demands, liabilities, losses, injuries, and/or damages arising from or relating to the Administrative Proceedings. Respondent further expressly agrees and covenants that it will not sue or assert any cause of action, at law or in equity and whether before a court of law or an administrative agency, against the Division, the Secretary of State, or the State of Colorado, or any of their former, current, and successor officers, employees, agents, and attorneys, for any claim arising from or related to the Administrative Proceedings.

Section 7. Waiver of Appeal Rights

Respondent expressly waives any right for further administrative or judicial review of any matter related to the Administrative Proceedings or this Agreement, including but not limited to any rights provided by §§ 24-4-105 and -106, C.R.S. (2022).

Section 8. Public Records

Respondent understands and agrees that this Agreement may be made available to the public on the Secretary of State's TRACER Campaign Finance system, and may also be made available to members of the public who serve a valid request under the Colorado Open Records Act, § 24-72-101, *et seq.*, C.R.S. (2021).
