Substantive Comments and Questions

In addition to the comments and questions included in the memorandum for proposed initiative 2021-2022 #119, the substance of proposed initiatives 2021-2022 # 112, 113, 116, 118, 123, and 125 raises the following comments and questions:

1. In section 44-3-911.5 (9)(a) of the proposed initiatives, should the word "permit" after "retailer's" instead be "license"?

2. The last sentence of section 44-3-911.5 (9)(a) in the proposed initiatives states that delivery to a minor is to be treated as "furnishing" to a minor. What is the significance of the term "furnish" in this context? Under section 44-3-901 (1)(b), it is unlawful for any person to "sell, serve, give away, dispose of, exchange, or deliver or permit the sale, serving, giving, or procuring of any alcohol beverage to or for any person under the age of twenty-one years." If the intent of this sentence is to tie delivery to a minor to this provision, delivery is mentioned in that section, but "furnish" is not mentioned, so the effect of this sentence is unclear.

There are no additional substantive comments and questions for any of the proposed initiatives included in this memorandum.
