Steven. We are filing a Motion for rehearing on 2021-2022 #23. 2021-2022 # 24 as we believe the Title Board was in error on their ruling.

#### Motion for Rehearing

1) The motion for rehearing challenges the board language and its 55% italicized ruling, which does not apply. The text of #23 and #24 are not constitutional amendments."

2) The proposed titles should delete everything starting with "and, in connection therewith" through "with a statute" and replace it with "passing a statute..." The opening reference to "An amendment to the Colorado Constitution and..." should be also deleted.

Please schedule ASAP.
