

MOTION FOR REHEARING

BEFORE THE TITLE BOARD, SECRETARY OF STATE, STATE OF COLORADO

The proponents of 2020-21 #43 and #44 move for a rehearing on those two initiative drafts. The title board refused to set ballot titles based on one objection, that both were multiple subjects.

We submit revised texts that delete ALL references to the Colorado Constitution. This will be a statutory petition reform.

PLEASE allow us on August 18, 2021 our God-given and legal right to petition the state.
