CO Secretary of State, Title Board

Proponents: Donald Creager, John Ebel

Re: 2020-2021 #6

The Proponents of 2020-2021 #6 disagree with the decision of the Title Board that the Final text of 2020-2021 #6 contain multiple subjects. The Proponents believe that Final text on file from the December 16 hearing with the Title Board constitute a single subject. Therefore, we request a rehearing before the Title Board on the matter on January 6, 2021.

Respectfully submitted,

Donald Creager  
John Ebel
