

2025-2026 #71 Prohibiting Certain Surgeries on Minors FINAL

Be it enacted by the people of the State of Colorado:

SECTION 1. Legislative Declaration. (1) The people of Colorado do hereby find and declare that:

- (a) Children lack the maturity to make permanent, life-altering medical decisions;
- (b) Medical treatments or interventions that attempt to surgically alter a minor child's biological sex often result in serious, irreversible consequences, including sterility;
- (c) European nations, including Sweden, Finland, and the United Kingdom, have halted surgery due to the serious and widespread harm resulting from that intervention; and
- (d) Colorado law already protects children from other, permanent and potentially life-altering decisions, such as consuming alcohol and smoking. The same protections should apply to irreversible medical interventions related to biological sex.
