PUBLIC OFFICIAL SCHEDULE BOND

(Position Form)

Bond No. RPO0636241

THE OBLIGATION

1. KNOW ALL MEN BY THESE PRESENTS, that Old Republic Surety Company, a Wisconsin corporation, authorized to transact business as Surety, in the State of Colorado as Surety, is held and firmly bound unto Crested Butte Fire Protection District as Obligee, in the respective sums set opposite the positions listed in the appropriate schedule, or in an endorsement, for the payment of which well and truly to be made the Surety does hereby bind itself, its successors, and assigns, firmly by these presents.

SIGNED, SEALED AND DATED the 22nd day of April, 2010.

CONDITION OF THE OBLIGATION

2. The condition of this obligation is such that if each employee occupying any such position shall faithfully discharge the duties thereof while such position is covered hereunder and shall promptly account for and pay over, according to law, all money or property received by them by virtue of such position or, in default thereof, shall pay all damages, costs, and expenses resulting from such default or defaults, then this obligation shall be void, otherwise to remain in full force and effect, subject, however, to the terms and conditions hereinafter set forth.

WHEN COVERAGE EFFECTIVE

3. This bond shall be effective as of April 21st, 2010. Positions named in the attached schedule are covered on and after the effective date; positions added by being included in a new schedule identified by the signature of the Surety by an Officer or Attorney-in-Fact and attached as of any premium anniversary date, shall be covered on and after that anniversary date; positions added by endorsement shall be covered on and after the date specified therein.

EXTENT OF SURETY'S LIABILITY

4. The coverage on each position is continuous from the inception of coverage to termination thereof, and the coverage for separate periods shall not be cumulative. The liability of the Surety for the failure of any employee to account for and pay over shall be limited to the failure to account for and pay over funds actually in such employee's possession during the period within which he is covered. If the coverage on any position for separate periods be for different amounts, the maximum liability of the Surety for all defaults of any employee who may occupy that position shall not exceed the largest amount of coverage in force during any period within which defaults shall have occurred, nor shall the coverage for one period be available for defaults occurring within any other period. A failure to account in one period shall not be considered a default occurring during that period unless the funds were actually in the possession of the employee during such period. If an employee occupy, at one time or at different times, two or more covered positions, the maximum liability of the Surety for all defaults of that employee shall not exceed in the aggregate the largest amount of coverage on any position in which defaults of that employee shall have occurred, nor shall the coverage for one position be available for defaults in any other position.
