Re: Cancellation of Election

HOROSCOPE

By SALLY BROMPTON

ARIES (March 21 - April 20): You will fall out with someone in a position of authority today and it will be the kind of clash that innocent bystanders move out of the way to avoid! This showdown has been a long time coming. Don't back down.

TURUS (April 21 - May 21): Someone at work or in your social circle will have a great idea today and you will be annoyed that you did not think of it first. Don't worry. Keep thinking and you'll have an even better idea over the weekend.

GEMINI (May 22 - June 21): You may be tempted to get rid of something that has been in your possession for many years but don't be too hasty. How will you feel when it is gone? It may seem like a good idea now but what about tomorrow?

CANCER (June 22 - July 22): Don't agree with someone merely because you cannot be bothered to argue. If you let them get away with statements that are clearly untrue they will take that as an invitation to lie to you all the time.

LEO (July 23 - Aug. 23): Today's Sun-Pluto aspect will give you the chance to get rid of one or two things, and maybe one or two people, you no longer need. Take advantage of it. Your life would be better with a little less clutter - and criticism.

VRGO (Aug. 24 - Sept. 23): It would appear that someone is deliberately making things difficult for you and the more upset you get the more they will do it. Refuse to get annoyed. Refuse to react in the way they expect. They'll soon lose interest.

LIBRA (Sept. 24 - Oct. 23): Some of the changes now taking place in your life may not be too pleasant but the planets indicate they are necessary, so go with the flow and help change to happen. It will only hurt if you fight it.

SCORPIO (Oct. 24 - Nov. 22): If you look too hard for an offset answer to a long-standing problem today you may miss the more obvious solution that is staring you in the face. Forget about being trendy - simplicity is the key.

SAGITTARIUS (Nov. 23 - Dec. 22): A work or money problem isn't going to just fade away - at some stage you will have to deal with it. Today's potent Sun-Pluto aspect suggests now is as good a time as any. Make the

changes that matter.

CAPRICORN (Dec. 23 - Jan. 20): If you want something enough you will find a way to get it but you may then decide you don't really want it after all. If you're paying out money make sure you keep the receipt so you can get a refund.

AQUARIUS (Jan. 21 - Feb. 19): If you are offered something free of charge today you will, of course, assume there is a catch of some kind. But is there? Maybe someone wants to do you a favor out of the kindness of their heart. It's possible.

PISCES (Feb. 20 - Mar. 20): Not every question has an answer and if you are smart you won't allow yourself to get worked up about something that is so magical that it defies description. Life is strange and sometimes even mysterious. Accept that.

IF YOUR BIRTHDAY IS FRIDAY: A Sun-Pluto link on your birthday means you will face many challenges over the coming 12 months. It also means that you will develop new skills and abilities in order to overcome them. A tough year but a productive one too.

IF YOUR BIRTHDAY IS SATURDAY: Your desires are perfectly normal, so why are you spending so much time and energy trying to ignore them? Whatever the reason the coming year will bring plenty of opportunities to enjoy what you need. Do so and don't feel guilty about it.
