If any of the director information is boxed you may have an invalid board for one of the following reasons:

5/17/2012

1. The district must have either 5 or 7 directors as determined at the district's organizational election.
 'Number of directors' will be boxed if the number of directors is not 5 or 7.
2. The district must have one director listed as chair.
 'Chair' will be boxed if no director is identified as the chair or if more than one chair is identified.
3. Each Elected director's length of term must be 4 or fewer years.
 An Elected director's 'Term Length' will be boxed if it is missing or is not between 1 and 4 years.
4. Each Appointed director must have a term that is for two years or less.
 An Appointed director's 'Term Length' will be boxed if it is not 1 or 2 years.
5. Each director must have a valid, unexpired term.
 A director's 'Term Expires' will be boxed if their term is missing or ends during or prior to the current year.
 Please remember director positions should be staggered; a 5 member board has three four year terms up for one election and then two four year terms for the following election. However, due to appointments to vacancies several directors or even the entire board may be required to run for election at the same time for a combination of four year terms and two year terms.
6. Each director must have an oath that is for the current term.
 A director's 'Oath Date' will be boxed if it is missing or is prior to the year the current term began.
7. Each director must have a current bond filed with the oath.
 A director's 'Bond' will be boxed if it wasn't filed with the director's oath.
