Question 3

County	How many voting units would you need and what is the estimated purchase price (vendor neutral)
Boulder	Have all the voting units we need
Yuma	4 DAU 21,120; 2 JBC \$6,600; 3 eScan \$17,820 Or 3 kodak scanner\$ 56,700 ePoll book \$3000
Prowers	34 Units Cost estimated \$66,000
Eagle	We have sufficient equipment, but if we replaced it would need 6 DAU and associated
Lincoln	components for requisite locations. No idea of price. Three counting scanners - \$5,940 each Total of \$17,820
	Three eSlate/DAU units - \$5,280 each Total of \$15,840 Two JBC units - \$3,300 Total of \$6,600
	Laptop and backup laptop - \$5,500 SERVO/Tally software package - \$75,000 Grand Total Estimate - \$120,760
Mineral	Two units, haven't priced them...
Garfield	Nine DREs at \$5000 each
Morgan County	1
Ouray	None
Denver	0 - we do not need any additional equipment to comply with HB1303. Our existing certified equipment is more than sufficient.
	If we were required to purchase new equipment we would likely buy 90 units (DREs) at 5000 (estimated) each = 450,000.
	We would also purchase central count ballot scanners (8 at 70,000 = 560,000).
	The software would also be an estimated 45,000 Total equipment purchase (if required) is 1,145,000.
Alamosa	4
Cheyenne	2
Logan	8 zero because we already have equipment
morgan	3
Delta	None We have enough equipment
Crowley	2 - Cost???
Clear Creek	8 Prec. Scanners -- \$50,000 8 DRE/DAU w/VBO -- 45,000 10 VVPAT -- 14,000
	e-Pollbook System ??(Don't currently have) Computers/tablets to help with voter reg. and sig. verification -- \$5000
Park	NA NA
La Plata	0
	x
Lake	1 scanner for paper ballots and 1 DRE or a combination unit. Price estimate unknown.
Rio Grande	We had sufficient equipment unless required to buy because of UVS - What do you consider a unit??
	We would need at least 2 eSlates and 4 or 5 eScans. Cost will depend on who is selected for UVS
Hinsdale	1 EScan 1 DRE ? cost
Saguache	We would need one TSX machine and two optical counting scanners. We plan to rent both. \$1914 for TSX and \$1308 for both scanners.

Douglas	We have what we need in "voting units" for the 2014 Election
Kiowa	2-\$12,000
HUERFANO COUNTY	1 WOULD NEED 4 UNITS 2 E-SCANS 2-DRE (DON'T NEED TO PURCHASE)
PUEBLO	14 30000 ish
?	.
Mesa	2 central counts, 10 to 15 ADA units. Upgrade current system for all is \$310,000. Replacement \$400,000 possibly.
Otero	three (one for each service center) and two central scans
San Miguel	We don't need any new equipment for HB1303. If you are asking what we would need for a new election system, you need to be a little more specific as to what you mean by "unit." And since we don't need any new equipment, I have no idea what components would cost.
Kit Carson County	5 DAU 2 JBC 3 ESCAN This gives us 1 backup of each piece of equipment
Routt	We have all we need.
Archuleta	3 1 Early Voting, 1 Election Day, 1 back up

**Question 4**

County	What would your estimated maintenance fee/technical upkeep cost be for your entire system per year?
Boulder	Same as this year. In 5 year contract.
Yuma	8000
Prowers	Maintenance fee \$1,200 Software fee and License currently \$10,000
Eagle	No idea.
Lincoln	Approximately \$10,000
Mineral	It would have to be "out of house" our county is too small to have an IT department so we would have to outsource, it could be expensive for our size.
Garfield	20000
Morgan County	Annual Maintenance 10,289 + increases 4% every year Extended Warranty 6,675 + increases 4% every year
Ouray	None
Denver	10,000 license fee for entire voting system regardless of HB1303
Alamosa	The only thing we pay for right now is to lease our DRE's. That fee is \$4800 per election.
Cheyenne	11132
Logan	-----
morgan	3
Delta	N/A
Crowley	16000
Clear Creek	16000
Park	10000
