

**Specific Conditions of Temporary Use
Dominion Voting Systems Democracy Suite 4.19**

The Clerks and Recorders of the City and County of Denver and Mesa County must comply with the following system-specific condition of temporary use during their pilots of the Dominion Voting System Democracy Suite 4.19 voting system during the 2015 Coordinated Election:

1. The county must provide instructions to the voters on how to use the navigation buttons to repeat contest titles and candidate names. [2002 Voting System Standards, 2.2.7.2.b.5]
2. The county must train election judges to explain the use of the Dominion-supplied black screen to the voter and/or assist the voter with putting it into position. [1-5-704(1)(o)(II), C. R. S.]

The Secretary of State reserves the right to revise or supplement these conditions of temporary use for the Democracy Suite 4.19 voting system.
