## Dimensions of system components and cases

---

Each ClearVote component used for in-person voting at Voter Service and Polling Centers is sized to be easily transported by an individual. The products are commercial-off-the-shelf (COTS), and designed for the convenience of the consumer.

System component	Weight (lbs)	Dimensions (HxWxD in inches)
Dell Optiplex 3030 All-in-one	15.4	12.9 x 19.2 x 2.5
Stand	3.3	8 (depth)
Inspiron 2-in-1	4.8	0.8 x 8.7 x 13
Brother printer L2340DW Duplex Laser Printer (can also be used for Ballot on Demand)	15	7.2 x 14 x 14.72
EZ Access Keypad	1	4.75 x 4.13 x 1.5

Hard cases to store and transport ClearVote equipment and related cables are available for purchase. The individual component packing boxes can also be used for this purpose.

Component case	Weight (lbs)	Dimensions (HxWxD in inches)
ATA Maximum Protection Case, with custom foam Model: 3SKB-2825M	21.0	19.88 x 31 x 27.88
