

Assignments for March 31st RLA Meeting

1. What method(s) should we look at for non-CVR counties? Are there other methods that have not been suggested?

Methods:

Ballot Polling

Batch Comparison

Hand Count

Parallel Scanning

2. What contest(s) should be audited if a county doesn't have a countywide contest?
3. If we just audit a statewide contest and 40 out of 64 counties get ballots selected to audit, do the other 24 counties have to conduct an audit?

Please provide written comments to Jerome Lovato (jerome.lovato@sos.state.co.us)
