Dear Secretary Williams and Steven Ward,

My name is Jimi McFarland, I am the President of the North Jeffco Tea Party. I am writing on behalf of our members regarding election oversight and voter signature verification. I have read the comments submitted by the Election Oversight Committee of the Colorado Republican Party related to watcher oversight of signature verification and wish to register my support of those comments. I request that the Watcher Advisory Panel recommend guidelines that support the verifiability of every voter's signature when the voter submits a mail ballot. Full election transparency is necessary for fairness and voter confidence in the election outcome.

Thank you very much for your time and consideration regarding this issue.

Sincerely,

Jimi McFarland
