Subject: Comments to Watcher Advisory Panel

Dear Mr. Ward:

I am writing as Chair of and on behalf of the Lakewood Tea Party with comments in response to the comments from the Election Oversight Committee of the Colorado Republican Party. We support their position concerning watcher oversight of signature verification. We urge the Watcher Advisory Panel recommend guidelines that will ensure voter signatures can be verified when a mail ballot is submitted.

Citizens must have confidence in the results of elections to have confidence in the government that is put in place by those elections. That can only happen if they know ballots are true and verifiable.

Thank you for your consideration,

Linda Mackety, Chair
Lakewood Tea Party
