Mr. Gibbons,

I apologize for my delayed response.

We have reviewed our hard copy filings and our electronic tracking sheet, which documents the municipal filings we receive (the sheet tracks back to 2005). We did not find any reporting or record of reporting for the Town of Bonanza. Our office only retains municipal records for a short period of time before transferring them to state archives. You may have luck checking there.

Best,
Ben

Mr. Schler:

Have you been able to determine anything concerning the status of elections or reporting from the Town of Bonanza.

Thank You.
