Ms. Thayer,

This will be the fifth year the Town on Bonanza will not certify a mill levy to the Saguache County Commissioners. I know that our County Attorney has applied for a dissolution for the Town of Bonanza and it is in the posted notification process at this time. For the past four years, we have extended a mill levy of 0.518 which has been collected and held by the Saguache County Treasurer's Office. Attached is a copy of authorization for tax year 2012.

Can I request this authorization prior to the Saguache County Commissioners' Meeting on December 17th?

Thank you,

Jackie Stephens
