Mr. Bratton:

This e-mail is a follow-up on your phone message. The Saguache County Board of County Commissioners is requesting that the SOS stay the decision on the Petition to Dis-incorporate the Town of Bonanza until March 14, 2014. It is the Board's understanding that the decision should be issued sometime this week. The Commissioners have met with interested parties who would like additional time to review Town records and contact voters registered in the Town. The Commissioners have agreed to request an extension of time on the decision to permit time for those activities to occur.

Please contact me should you have any questions concerning this request.

Best regards,

Ben Gibbons
Saguache County Attorney
