STATEMENT OF SUFFICIENCY

2019-2020 Proposed Initiative #295

“Voter Approval Requirement for Creation of Certain Fee-Based Enterprises”

August 24, 2020

On July 30, 2020, the proponents and designated representatives of 2019-2020 Proposed Initiative #295 (“Voter Approval Requirement for Creation of Certain Fee-Based Enterprises”) submitted 196,090 petition signatures to the Elections Division of the Secretary of State’s office. After reviewing a five-percent random sample of the submitted signatures, the Elections Division of the Secretary of State’s office projected the number of valid signatures to be greater than 110 percent of the total number of signatures required for placement on the ballot.

Random sample verification summary:

Total number of qualified signatures submitted	196,090
5% of qualified signatures submitted (random sample)	9,805
Total number of entries accepted (valid) from the random sample	6,943
Total number of entries rejected (invalid) from the random sample	2,862
Number of projected valid signatures from the random sample	138,852
Total number of signatures required for placement on ballot	124,632
Projected percentage of required valid signatures	111.41%

Because the random sample verification established that the projected number of valid signatures totals 111.41 percent of the amount required for placement on the ballot, 2019-2020 Proposed Initiative #295 is sufficient and will be certified to the 2020 general election ballot

Dated this 24th Day of August, 2020.
