STATEMENT OF SUFFICIENCY

2021-2022 Proposed Initiative #25 “Learning Enrichment and Academic Progress Program”

August 25, 2021

On July 30, 2021, the proponents and designated representatives of 2021-2022 Proposed Initiative #25 (“Learning Enrichment and Academic Progress Program”) submitted 203,335 petition signatures to the Elections Division of the Secretary of State’s office. After reviewing a five-percent random sample of the submitted signatures, the Elections Division of the Secretary of State’s office projected the number of valid signatures to be greater than 110 percent of the total number of signatures required for placement on the ballot.

Random sample verification summary:

Total number of qualified signatures submitted	203,335
5% of qualified signatures submitted (random sample)	10,167
Total number of entries accepted (valid) from the random sample	7,254
Total number of entries rejected (invalid) from the random sample	2,913
Number of projected valid signatures from the random sample	145,076
Total number of signatures required for placement on ballot	124,632
Projected percentage of required valid signatures	116.40%

Because the random sample verification established that the projected number of valid signatures totals 116.40 percent of the amount required for placement on the ballot, 2021-2022 Proposed Initiative #25 is sufficient and will be certified to the 2021 coordinated election ballot.

Dated this 25th Day of August, 2021.

Joel Albin
Ballot Access Manager
