Subject: Comments - working draft notary rules
Date: Wednesday, March 7, 2018 12:59:02 PM

As a notary for many years and the only notary in my rural area for 20 miles in either direction, I have no issue with being required to take a course each time I need to renew. However, I would hope that the course is free of charge. I provide a valuable service to my community at no charge. Please help me to continue to provide that quality, needed service to our rural areas of Colorado.

Respectfully,
Carrie S Cline
