Attn: Andrea Gyger,

With regard to Proposed Bingo Rules:

It is my impression, that all of the suggested rules changes are reasonable, fair and beneficial with the exception of the amendment to rule 9.1 (formerly rule 10.0.A) to increase the maximum aggregate bingo occasion prize from \$2000.00 to \$5,000.00.

In my opinion, the prize increase, for session bingo, would create unsustainable competition within the bingo market. A large percentage of sessions are currently offering less than the \$2000 prize maximum.

I am of the opinion, that Para-mutuel bingo should have it's own set of rules within the rules. For example, progressive bingo has it's own set of rules (4.0.B), as should Para mutuel bingo.

Sincerely,

Richard Lemon
