Subject: Advantage to Morse to have 3 candidates on the runoff recall--that is not "fair"

having more than 2 candidates on the ballot, Morse and a contender, would give the vote to Morse undermining the recall election, and was likely the work of those connected to Morse. If one and one are two, then 3 candidates mean conservatives/liberty/ constitutionalists will have worked for nothing to recall this tyrant Morse and we must have a "fair" contest, which does not enable him to have an advantage. Mary
