Dear Secretary of State,

In response to proposed rule draft Rule 16.2.1 (c), I object to any ambiguous wording in the rule that would permit a voter the discretion to use email voting except in truly hardship cases, where mail or telephonic fax return of a ballot is the only method of returning the ballot. In other words, I oppose internet voting, because it increases the chance of fraud.

Thank you for your consideration,

Lynn Judson, Registered Voter
