Secretary of State, Mr. Wayne Williams:

RE: Response to Draft Proposed Rule 16.2.1 (c)

I highly object to any ambiguous wording in the rule that would permit a voter to use email voting except in truly hardship circumstances where postal mail ballot return or telephone fax return is not available. Those hardship cases should be limited to circumstances in which the voter cannot expect the paper ballot to be received by the clerk within 8 days after election day if the voter returns his/her ballot by postal mail on the day he receives it AND there is no telephone fax return available.

Please vote NO on to Internet voting in Colorado as I believe this will cause the utmost in voter fraud!

Sincerely, Diane L Minick
