**To:** SoS Rulemaking  
**Subject:** Internet Voting

As chairman of the Pueblo County Republican Party we would like to state we are adamantly against internet voting except in cases of proven hardship and allowed in only rare circumstances. This rule exceeds the very limited authority granted in 2006 by the General Assembly to accept ballots by email.

Please feel free to contact me if you have questions or wish further comment.

[REDACTED]

Thank you.

Becky Mizel, Chairman  
Pueblo County Republican Party
