Subject: Comments - working draft election rules

I will appreciate receiving notification of opportunities to comment on election rules and on actions of the Bipartisan Election Advisory Commission. My email address is below.

In regards to amendments to 8 CCR 1505-1, I generally support these common sense changes.

I commend the Secretary of State for proposing an Bipartisan Election Advisory Commission that appears to be balanced and include representatives of major stakeholders.

Cheers,
Paul

Paul Geissler
