Please stop this Rule from going forward. It greatly exceeds the very limited authority granted in 2006 by the General Assembly to accept ballots by email.

In response to draft proposed Rule 16.2.1 (c), I object to any ambiguous wording in the rule that would permit a voter to use email voting except in truly hardship circumstances where postal mail ballot return or telephone facsimile return is not available. Those hardship cases should be limited to circumstances in which the voter cannot expect the paper ballot to be received by the clerk within 8 days after election day if the voter returns his ballot by postal mail on the day he receives it, and there is no telephone facsimile return available.

Sincerely,
Bev Spotz - [REDACTED]
