Subject: [[SPAM]][GFI-SR]] - Comments - working draft election rules

As chairman of the Eagle County Republican Executive Committee and on behalf of Eagle County Republican Central Committee I would like to advise you that we are adamantly opposed to the proposed changes regarding voting which would allow for an expansion of Internet voting.

We strongly urge you to reconsider this decision. There seems to be very little if anything that is truly secure on the Internet, regardless of the precautions that are taken. To risk the integrity of our most important process is foolhardy.

Kaye Ferry, chair
Eagle County Republicans
