Subject: internet voting

On draft proposed Rule 16.2.1 (c), I object to any
> ambiguous wording in the rule that would permit a voter to use email
> voting except in truly hardship circumstances. The hardship
> cases should be limited to circumstances in which the voter cannot
> expect the paper ballot to be received by the clerk within 8 days after
> election day if the voter returns his ballot by postal mail on the day
> he receives it, and there is no telephone facsimile return available.
