Subject: Re: Revised Draft Election Rules - Rulemaking Hearing 7/25/16

I have reviewed the revised Election Rules issued on July 20. I am generally satisfied that they effectively meet the intended purposes. I have just a few questions.

P.8 L 18 et seq. This seems to indicate that the Canvass Board and Audit Board are separate functions and entities. We have always combined these tasks with a single panel.

P.12 L11 et seq. What form is the "tabulation report"? Simple print out from the election system or something else?

There are several sections that refer to specific formats or number counts for races, etc. As we do not program our own ballots, I must assume that the providers and counties that do the programming are satisfied these parameters can be met.

P 23 L 6 et seq. I do not understand this section at all. Much greater clarification or context please.

Kind regards,
