Subject: Comments - working draft notary rules

Proposed Changes:

- RULONA: if necessary
- Definition: if necessary to clarify
- Repeal: if duplicated
- Notary Course: **Unnecessary** unless the Notary does not renew before expiration
- Vendor Curriculum: Unnecessary unless rules have changed that new Notary's would need to be aware of. (this would drive costs up unnecessarily)
- DAN's: if necessary to clarify
- Employer Responsibility: Unnecessary the Notary should be responsible for their actions. No need to involve additional parties

**The greatest compliment we can receive is the referral of friends and family.
Thank you for your business!**
