Hello,

After reading through the proposed changes, I agree with most changes with the exception of requiring existing notaries to take a course AND pass an exam in order to renew. I am ok with taking and passing an exam in order to renew, but do not feel a mandatory course is necessary.

As notary public, it is our responsibility to remain up to date on all rules, laws and practices. If a notary does not pass the exam, then perhaps a mandatory training course would be wise, followed by retaking the exam.

Thank You,  
Rachelle Bruno
