Dear Secretary Williams:

Thank you for allowing me to comment. I believe the following should be required and have commented at the end of each sentence:

- Amend rules to require notaries to take a notary course and pass an exam in order to renew their commissions. This will ensure that we are current with changes and understand our obligations as a notary.
- 
- Amend rules to indicate availability of the online notary training option on the Colorado Secretary of State's website. Hopefully this will ensure we are not scammed by frauds and keeps unwanted vendors from their solicitations.
- 
- Amend rules to require the re-approval of vendor curriculum and training materials every four years. Again, this helps weed out those who are scammers and those who should not be training. Hopefully the vendors are from Colorado.

Thank you.
