I have been doing notary service for several years and I don't think it is fair to make us take a test to renew our commissions. For new applications I can see it but not for renewals.

I for one would not renew mine if I have to take a class and a test to renew.

Hope you will reconsider this amendment.

I do notary service for a rural area to save people for having to drive 60 miles to find a notary. I feel it is a needed service and enjoy being able to offer the service.

So please don't change this for the country people.

Thank You

Frances M Maskus
