**Subject:** Comments - working draft Election rules

Our Laws now concerning persons on Parole or probation, states they are allowed to vote as any citizen can vote. I don't feel that anyone serving time or detain should be allowed to vote.

When the crime he was convicted of placed him in detention or Prison he lost all rights.

I also believe the prison officials or Sheriffs office should not have to bother with the time and expense of this exercise.

Thank You for this opportunity to voice my opinion.
