To whom it may concern;

As a resident of Colorado who is resident by virtue of being a student, i may or may not claim residence, but do not vote, in another state. this would mean under SECTION 7. In Colorado Revised Statutes, 1-2-205, amend as it will become effective July 1, 2019, (2) as follows: 1-2-205;

I would appreciate this to also be revised to reflect those residents of Colorado who live here, and work here, and vote here, but may own or reside in multiple residences, so as to not make them guilty of a crime, in voting.

Other than this addition, the strike out method works well, and the bills are wonderful. Thank you for all your hard work, and I look forward to working more closely with the state of Colorado in the future.
