Page #	Line #	Reference	Comment
4	37 – 38	7.1.2	Change "the" to "a" [The County Clerk must use "a" Secretary of State approved signature card form at every VSPC and submit a copy…] to allow for county-specific approved signature card form.
7	10 – 11 28 – 29	7.5.5(a) 7.5.6(a)(1)	Strike the following references – directly contradicts 1-7.5-107(4.3)(b) 1. The county clerk must arrange for the collection of ballots by bipartisan teams, of election judges and/or staff, from all Drop Box locations and receive them into SCORE: *(a) At least once every 72 hours after ballots are mailed until the date that voter service and polling centers must open* 2. *(1) Once each week after the initial mailing of non-UOCAVA ballots until the Friday before election day;*
16	33	17.1.2	Vote Credit is not assigned until the election is closed.

Suggested Rule Clean Up:
25.2.2(e)(3): Add bolded language

After verifying the accuracy of the CVR export, the county must apply a hash value to the CVR export file **and ballot manifest** *using the hash value utility provided by the Secretary of State.*
