**Subject:** Voting suggestions

1. MUST be an American Citizen AND a Colorado Resident.
2. MUST show valid US ID and/or Colorado resident to vote.
3. Boxes of votes found in the backroom or trunk of a car after voting closes are invalid.
4. Convicted felons cannot vote.
5. Keep the voting age at 18; definitely NOT younger.
6. Clean up voter rolls of dead people and people who have moved so there are no random mail in ballots out there.
7. KEEP THE ELECTORAL COLLEGE.

These are all pretty much common sense things that have been working.
