Subject: [EXTERNAL] Written comments - Notary Rules - 11/16/20 Hearing

Good Afternoon,

I read through the proposed changes, but I'd like to add the following comment regarding Section 5.2:

Would it make more sense to have the remote notary process part of the overall notary testing, so all notaries within Colorado would be expected to have the same abilities? Current notaries could take the separate remote notary test to get everyone at the same place.

I work for a highly technical company, and we are doing almost everything virtually now.

I have registered to attend the hearing.

Thank you.
