To Whom it May Concern,

Colorado elections belong to the people. Unfortunately, the Secretary of State, Jena Griswold does not agree. In her June 17th emergency rules proclamation, Griswold unilaterally attempted to block election transparency in our state. This action is unethical, legally questionable, and outrageous. I demand Secretary of State, Jena Griswold void her emergency rules on election audits to guarantee CO citizen's rights to free, fair, and transparent elections.

Best regards,

Lynette Bins
