Hello!

Please consider the opinions and view of Colorado voters about this issue!

Given the current nature of the findings that have come out of multiple states, the rule changes being proposed are nothing short of outrageous and an insult to our democratic republic.

These rules further undermine any sort of election integrity while driving a wedge between Colorado voters and our elected officials. I request that the rule-making committee void these rules changes in order to guarantee CO citizen's rights to free, fair, and transparent elections.

I have attached a signed copy of a legal petition to enforce my concern about this.

Thank you,  
Amy Bruce
