Subject: [EXTERNAL] OPPOSE SECY STATE ("SOS") PROPOSED RULE 2.13.2 AND RULES 10.1-10.3
Attachments: petition-2.pdf

Hello,

Given the findings that have come out of multiple states, the rule changes being proposed by Colorado's SOS are outrageous and an insult to our democratic republic.

These rules undermine any sort of election integrity while driving a wedge between Colorado voters and our elected officials. I demand that the rulemaking committee void these rules changes. Colorado citizens have a right to free, fair, and *transparent* elections.

I have attached a signed copy of a legal petition to enforce my concern for this incredible power grab.

I will monitor the recording of my petition by the SOS.

Thank you,
Kathryn S Elliott (a very concerned citizen)
