Subject: [EXTERNAL] Colorado SOS Jena Griswold Signed Petition #2 on Voter Rule Changes - STOP NOW
Attachments: Brian Smith, signed petition-2, 8.1.21.pdf

Good Day,

Given the current nature of the voting findings that have come out of multiple states, the rule changes being proposed by SOS Griswold are nothing short of outrageous and an insult to our democratic republic.

These tentative voting rule changes further undermine any sort of election integrity while driving a wedge between Colorado voters and our elected officials.

I demand that the rulemaking committee void these tentative voting rules changes in order to guarantee Colorado citizen's their constitutional rights to free, fair, and transparent elections.

Make no mistake, do not compromise on these changes, demand they are rescinded in their entirety.

I have attached a signed copy of a legal petition to enforce my concern for this power grab.

We ask that you, as a duly appointed representative of the People of Colorado, you do the right thing and step up to uphold our God given Rights as Free Men and Women of this Nation and put a stop to SOS Griswolds power play to the ruination of the State of Colorado.

Sincerely,
Brian Smith
