Subject: [EXTERNAL] New proposed rules

As a registered voter in the state of Colorado, I have very strong objections to ANY AND ALL rules and changes proposed by the SOSs office. To be very clear, I voted for LEGISLATORS to make and pass laws, I did not vote for bureaucrats to make laws, IT IS NOT the office of the SOS who is authorized to make laws, it is ELECTED representatives of we the people who have been delegated this task. I strongly object to the SOS attempting to make changes and bypassing MY elected representative in the process.

Sincerely
John Williams
Moffat County CO.
