**Subject:** [EXTERNAL] NO to Sec. of State Election Rule Changes  
**Date:** Monday, August 2, 2021 9:40:13 AM

---

Jena Griswald's proposed changes weakens our already fraudulent voting process. If anything we need tighter checks and balances on our voting system! Why in the world would anyone want looser rules when it comes to our voting process?!???

And if electronic voting systems and online voting must be used, you should have the BEST security measures available. Period.

Please shore up the integrity of our voting system, not make it weaker!

Thank you for your time and consideration,  
Gina Offermann
