Subject: [EXTERNAL] Don't eliminate signature verification for voting
Date: Tuesday, August 3, 2021 8:43:42 AM

I've been an election judge for several years and Sec. Griswold's plan of eliminating signature verification is a terrible idea. She just wants us to turn into a communist state where elections are pre-determined. This is wrong!!!!

Jane Muhlenbruch-Yee

P.s. we'll just call her Comrade Griswold.
